Road Construction Update

For Immediate Release: Tuesday, August 3, 2010

Bridge 38-0.29 in Richland Township Daily Closures for Repair

The Logan County Engineer's Office announces that the damage caused by an oversize vehicle striking the gable end of the Bickham Covered Bridge over the Southfork of the Miami River in Richland Township between State Route 368 and County Road 96 was not structural.

The bridge will be temporarily reopened. Daily closures beginning August 4, 2010 between the hours of 8:00 A.M. and 4:00 P.M. should be expected as our crews continue repair work.

We apologize for any inconvenience that may occur.
