Road Construction Update

For Immediate Release: November 12, 2008

County Road 24 in Pleasant Township Opens After Box Culvert Replacement

The Logan County Engineer's Office announces that our crews have completed the replacement of a box culvert on County Road 24 between Township Road 43 and State Route 47 in Pleasant Township. This box culvert was replaced in advance of the 2009 paving program. The roadway is open at this time.

Please use caution when traveling over the roadway at the construction site due to uneven grade changes and loose stone that may be present. "Rough Road" and/or "Construction Ahead" signs will remain posted until the final resurfacing is completed.
