Road Construction Update

For Immediate Release: Thursday, October 6, 2011

County Road 28 To Be Closed Overnight for Roadway Maintenance at Corkscrew Hill

Crews from the Logan County Highway Department have chip-sealed pavement along County Road 28 at Corkscrew Hill between County Road 29 and County Road 153. Due to temperature conditions, construction was delayed until late morning. Therefore, an overnight closure is required to allow ample time for roadway construction materials to properly cure. The roadway will re-open at 8:00 A.M. on Friday, October 7, 2011.

We apologize for any inconvenience that may occur.
